Meetings & Event Space

More than 4,500 square feet of indoor event space provides ample room for large crowds, or for a different point of view, guests can explore the additional outdoor acreage and patio seating that offers a place to unwind while taking in the panoramic views and Texas hospitality.

Our flexible meeting rooms, ballroom, pre-function and breakaway spaces can be set in a variety of ways to create a unique experience that speaks to each guest's needs. One fantastic option is to book the entire property for your exclusive and private event.

Ballroom

1,500 Square feet | Accommodates: up to 120 (seated)

We designed this 1,500 square foot space with large groups in mind; it can hold up to 180 people. The feeling is contemporary comfort with a stone fireplace, antique chandeliers and the perfect view of the Medina River Valley. Combined with adjoining rooms this space offers opportunities for greater capacities, pre-event registration, receptions and/or exhibit space.

Barrel Room

825 Square feet | Accommodates: 40 (cocktail reception)

Take in the unique aroma of leather, aged whisky barrels and vintage wood flooring while you relax and have a drink with us. This room is a favorite for anyone looking to unwind and get away from the daily grind. Enjoy game day on one of the numerous big screens or just kick back and let our Texas-sized leather sofas swallow you up.

Board Room

400 Square feet | Accommodates: 30 (seated)

Floor to ceiling windows offer a stunning view to the main courtyard on one end and overlook the pool and surrounding Texas Hill Country on the other. This multi-function space can serve as a stand alone rental or as an added pre-function space, reception area, or dance hall with its wide-plank oak flooring. It's the perfect space to host everything from small corporate meetings to intimate social gatherings.

Tasting Room

750 Square feet | Accommodates: up to 50 (seated)

Connected to the ballroom through a series of French doors, the tasting room offers flexible overflow options for larger receptions and semi-private, mid-size gatherings. Our chefs often use this space for food tastings. This space is perfect for rehearsal dinners, birthday parties and luncheons.

Dining Room

900 Square feet | Accommodates: up to 60 (seated)

Punctuated by rustic, oversized chandeliers, French doors, and a vintage oak bar, our main dining room leads onto an expansive wraparound deck and one of the best views in Texas. Simple, yet sophisticated, our dining room provides ample indoor and outdoor space to celebrate any season.

Arbor + Terrace

4,500 Square feet | Accommodates 250 (seated)

Meander past our swimming pool and poolside cabanas, through our lush landscaping and event lawn to the Arbor which frames our Texas view of the Medina River Valley and historic Castroville beyond. This outdoor area is home to the Hillside Concert Series, Yoga on the Hill and many memorable weddings and other private events.

Relax with us.
